Dear Mr. Holanda:

Pursuant to the Communications Act and the rules of the Federal Communications Commission, this is to notify you that Televiscentro of Puerto Rico, LLC, the licensee of stations WAPA-TV, San Juan, WNJX-TV, Mayaguez, and WTIN-TV, Ponce (the "Stations"), each located in the Puerto Rico market, hereby elects retransmission consent with respect to carriage of the Stations' signals on your system or systems operating in Puerto Rico. WNJX-TV and WTIN-TV operate as "satellite" stations and rebroadcast the signal of WAPA-TV. This election of retransmission consent covers the period from January 1, 2012 through December 31, 2014.

This election will not affect the carriage of any of the Stations' signals by your system pursuant to the current retransmission agreement between Televiscentro and your system, which expires on December 31, 2011. If there is no retransmission consent agreement in place as of 12:01 AM on January 1, 2012, your system will need to obtain our express prior approval in order to retransmit any of the Stations' signals after that time.

We look forward to working with you to negotiate the continued carriage of WAPA-TV on your system. If you have any questions, please contact me, Jose E. Ramos, P.O. Box 362050, San Juan, PR 00936, 787-792-4444 / joe.ramos@wapa-tv.com.

Dear Mr. Conrad:

In response to your September 16, 2011 letter, this will confirm that we also are committed to pursuing timely and successful negotiations. Of course, we will comply with the FCC's standards for good faith negotiation of retransmission consent agreements.

I similarly look forward to working with you and Mr. Khoury. I understand that you are a lawyer, and I also expect to involve counsel. At this point, I will await the redline of the current agreement to which you refer to evaluate whether we should proceed with the negotiations as you have proposed.

**Re: Liberty Cablevision of Puerto Rico Ltd.
Retransmission Consent – Station WAPA, Televiscentro**

Dear Mr. Ramos:

Thank you for your letter of August 30, 2011. Liberty Cablevision of Puerto Rico Ltd. has enjoyed delivering Station WAPA, licensed to Televiscentro of Puerto Rico, LLC, and looks forward to negotiating a new retransmission consent agreement to ensure that your viewers/our customers continue to receive your Station's programming after our current agreement expires at the end of this year.

Because many terms that we have previously agreed to should not change with a new agreement, we should use our existing agreement as a starting place for discussions. To speed the process, we would like to bring forward our current agreement. Shortly I will be sending you a redline of the current agreement to highlight those provisions that clearly no longer have application (e.g., pre-digital transition carriage of analog signals) and leaving open those issues that we know require discussion (e.g., consideration).

A few things that we ask you keep in mind as we work towards negotiating a new agreement are worthy of mention at this point. For example, we still are a 550 Mhz plant and therefore are limited by to our ability to carry additional channels. More importantly, under the current economic situation facing Puerto Rico, including the rate of inflation, high cost of living, and unemployment rate (see the most recent Census results), our customers cannot sustain rate increases passed thru due to programming cost increases. Other factors like: (i) fierce intermodal competition; and (ii) the high rate of piracy existing with one of the DBS signal providers, add to the adverse state of the video market conditions..

Being able to offer our customers relevant and affordable programming is our foremost objective. To that end, we pledge our commitment to you to abide by, and provide below pertinent details relating to, the FCC's regulations for good faith negotiations. Specifically, during the course of negotiations:

1. Naji Khoury, Managing Director, has complete authority to make binding representations on our behalf on all retransmission consent matters.

2. Absent exigent circumstances, we will make ourselves available at reasonable times and locations during normal business hours, and will not act in a manner that unreasonably delays retransmission consent negotiations.
 - A. Absent exigent circumstances, we will provide a substantive written response within ten (10) business days of receiving in writing a suggested proposal, provision(s), language or other materials.
 - B. Absent exigent circumstances, we will return phone calls within two (2) business days of any message you leave that requests a return call.
3. We will put forth only *bona fide* proposals.
4. We will give reasonable consideration to any proposal, provision(s) or language that you suggest and provide reasons for rejection of, or changes to, any such proposal, provision(s) or language.
5. We have not and will not enter into an agreement with any party, any term or condition of which adversely affects our negotiations.
6. Any retransmission consent agreement between us will set forth the full understanding of the parties.

We are committed to timely and successful negotiations. We welcome your affirmation of adherence to the same good faith practices by countersigning the letter below and returning a copy to us.

We look forward to working with you towards making sure that your Station continues to be available to your current viewers who are our customers. I look forward to talking with you further.

Sincerely,

John F. Conrad
Legal Director
